Pre-Screening Checklist

Have you brought these necessary items?

☐

Identification Card (IC)/Passport

☐

Staff Identification (for corporate clients only)

☐

Sports attire & appropriate footwear (for ECG Treadmill/Treadmill)

☐

Previous medical records (includes X-ray & ultrasound films)
from last health screening

☐

Morning medication (for Diabetics)

☐

Glasses (if any - for near & distant vision tests)

Pre-Screening Instructions

Is fasting required?

- Tests that require fasting are: fasting glucose, cholesterol blood test, ultrasound liver and ultrasound abdomen.
- Morning appointments: fast from 12am on health screening day
- Afternoon appointments: fast at least 8 hours (not more than 10) before appointment
- Only plain water is allowed for fasting, no food or beverages

Getting stool & urine tested?

- Urine bottle will be provided on appointment date
- Stool specimen bottles will be provided on arrival/by company's HR
- Stool specimen must be submitted within 24 hours from collection in the bottle

Got a Doctor's prescription?

- Continue to take medicine prescribed by doctor
- Diabetics: do not consume morning medication, bring it with you to consume after blood taking

Pre-Screening Instructions

Getting vision tested?

- Do not put on contacts on appointment day
- Bring along your glasses (if any) for near and far vision test

For ladies

- Pap smear, urine and stool samples must be only taken one week before or one week after period

What To Wear?

- Loose fitting clothing
- Clothes with sleeves that can be easily rolled up
- Comfortable shoes

We look forward to
seeing you!
